Re: *CenturyLink Broadband Deployment Semi-Annual Report*, WC Docket No. 10-110

Dear Ms. Dortch:

On Monday, June 25, 2019, Craig Brown, Jeff Glover (both by phone) and I Tom Freeberg, Dan Sorensen, Michael Underwood (all by phone) and I, on behalf of CenturyLink, and Bryan Tramont, with Wilkinson Barker Knauer, met with Kris Monteith, Daniel Kahn, Terri Natoli, Pam Megna, Jaclyn Rosen, and Mason Shefa of the Wireline Competition Bureau and Joel Rabinowitz of the Office of General Counsel, regarding the above-captioned matter.

In this meeting, we discussed the data CenturyLink filed on May 9, 2018 in the above-captioned docket regarding the broadband deployment commitments made in connection with the Commission's review of the transfer of control of Qwest to CenturyLink. Specifically, we discussed how to exclude locations receiving CAF I or CAF II support from the calculation of the percentage of locations in the former Qwest footprint that have been enabled, and whether different approaches affect the determination that CenturyLink satisfied all of the commitments.

Pursuant to Section 1.1206(b) of the Commission's rules, a copy of this notice is being filed in the above-referenced docket. Please contact me if you have any questions.

Sincerely,

Copies via email to: Kris Monteith, Daniel Kahn, Terri Natoli, Pam Megna, Jaclyn Rosen, Mason Shefa Joel Rabinowitz
